

WEBSITE and INTERNET

PRIVACY POLICY

Effective Date: February 14, 2016

This Internet Privacy Policy (“Privacy Policy”) describes eHealth Global Technologies, Inc. d/b/a eHealth Technologies (“eHealth Technologies”) online data collection practices and how we use and protect your personal information collected online. This Privacy Policy applies only to the information collected on the general website (www.ehealthtechnologies.com) and the mobile website (m.ehealthtechnologies.com) (collectively "Website"), and does not apply to information that eHealth Technologies obtains about you from other sources. We are committed to protecting your privacy online. Please read the information below to learn the following regarding your use of this site.

YOUR CONSENT:

By using the Website, you consent to the collection and use of your information in the manner we describe in this Privacy Policy. You acknowledge receipt of this Privacy Policy by accessing or using our site and agree to be bound by all of its terms and conditions. **IF YOU DO NOT AGREE TO THESE TERMS, PLEASE DO NOT ACCESS OR USE THIS SITE.**

CHANGES TO OUR POLICY:

We reserve the right to change this Privacy Policy at any time. Such changes, modifications, additions, or deletions shall be effective immediately upon notice thereof, which may be given by posting the revised Privacy Policy on this page. You acknowledge and agree that it is your responsibility to review this site and this Privacy Policy periodically and to be aware of any modifications. Each version of our Privacy Policy will be prominently marked with an effective date. Your continued use of the site after such modifications will constitute your: (a) acknowledgment of the modified Privacy Policy; and (b) agreement to abide and be bound by the modified Privacy Policy.

TYPES OF INFORMATION COLLECTED:

We currently do not collect information about users of or visitors to eHealthTechnologies.com. However, if you communicate to us through eHealthTechnologies.com, we will collect any information you provide us.

No data transmission over the internet or any wireless network can be guaranteed to be perfectly secured. As a result, while we strive to protect your information using commercially available and industry standard encryption technology, we cannot ensure or guarantee the security of any information you transmit to us, and you do so at your own risk. Accordingly, we respectfully request that you **NOT** provide any Protected Health Information (“PHI”), or electronic Protected Health Information (“ePHI”) to us using the eHealthTechnologies.com website, as any PHI/ePHI disclosed to us using this website is not secured nor safeguarded; we certainly want to ensure the

appropriate safeguards are in place for you to protect your own information. Please click here for a copy of our [NOTICE OF PRIVACY PRACTICES](#) consistent with the requirements of Health Insurance Portability and Accountability Act of 1996, and its implementing regulations (“HIPAA”), as well as the mandates of the Health Information Technology for Economic and Clinical Health Act (“HITECH”). We also take appropriate safeguards to protect Personal Data (“PD”) and other information that may be subject to the General Data Protection Regulation (“GDPR”) requiring the protection of natural persons with regard to the processing of personal data and on the free movement of such data.

We do not disclose your information to others. Occasionally, we may be required by law enforcement, government agencies, or judicial authorities to provide identifiable information to the appropriate governmental authorities. We will disclose information upon receipt of a court order, subpoena, or to cooperate with a law enforcement or government agency investigation. We fully cooperate with law enforcement agencies in identifying those who use our services for illegal activities. We reserve the right to report to law enforcement agencies any activities that we in good faith believe to be unlawful.

USER CHOICES ON COLLECTION AND USE OF INFORMATION; RIGHT TO OBJECT OR OPT OUT:

We may, from time to time, send emails regarding our services. In addition, if you indicated through contacts with us, that you are interested in receiving offers or information from us and our partners, we may occasionally send you direct mail or emails about services we feel may be of interest to you. eHealth Technologies will send you these direct mailings and only if you indicated that you do not object to these offers and/or desire to opt out of receiving such communication. On occasion a contracted vendor may be used to send the direct mailings. If you do not want to receive such mailings, simply tell us when you give us your information.

PRIVACY POLICIES OF THIRD-PARTY SITES:

Except as otherwise discussed in this Privacy Policy, this document only addresses the use and disclosure of information we collect from you. Other sites accessible through our site have their own privacy policies, data collection, use and disclosure practices. Please consult each site's privacy policy. We are not responsible for the policies or practices of any third-party website you access from this Website including facebook.com, LinkedIn.com, YouTube.com and others that we may utilize on our site.

NO MEDICAL CARE NOR ADVICE

eHealth Technologies does not provide medical care and cannot guarantee clinical outcomes. The information contained in the Website, newsletters, emails or other information or content provided by eHealth Technologies, is neither intended nor implied to constitute medical advice, diagnosis or treatment. We do not endorse, sponsor or recommend any of the third parties referenced on the Website, newsletters, emails or other information or content provided by us, nor any products, services, treatments, information or content provided by such third parties.

MISCELLANEOUS PROVISIONS AND DISCLAIMERS:

Errors and/or omissions in the website, are unintentional and excepted. eHealth Technologies assumes no responsibility, and shall not be liable for any damage or injury to you, your computer or other personal property including, but not limited to, damages caused by viruses that infect your computer equipment or other property on account of your access to our Website or from your downloading of any materials, data, text, images, video or audio, or other items from the Website. All responsibility and liability for any damages caused by viruses contained within the electronic files of this site are disclaimed. The user is advised to make his/her own arrangements for protection of his/her computer resources from such viruses.

Some links in this Website may lead to websites which are not under our control. You should understand that providing a link does not mean that we have looked at all those sites, that we have checked them out, or that we endorse them. External sites are not endorsed by us and we make no representation or warranty as to the contents contained in any such external website. When you visit any of those websites you will leave our website and we will accept no responsibility or liability in respect of the material or any website which is not under our control. We disclaim any responsibility if some website you link to has material on it that offends you in any way.

Any advertisements seen on the site is not an indication of the responsibility of eHealth Technologies for any content on such advertisement and we provide hyperlinks of such advertisements to their respective sites without any knowledge or responsibility for such provision. Such advertisements are displayed purely as a business contract between the advertiser and ourselves to lend space on our website's pages for a specified period of time.

This website is provided as a service to our visitors. We reserve the right to delete, modify or supplement the content of this website at any time for any reason without notification to anyone. Any and all portions of this disclaimer shall automatically apply to all modifications, additions, improvements and/or Amendments as they appear on the website.

CHILDREN UNDER THE AGE OF 13:

We believe in the importance of protecting the privacy of children online. The Children's Online Privacy Protection Act ("COPPA") governs information gathered online from or about children under the age of 13. No part of the Website, or any services made available through the Website, are designed or intended to attract or solicit children under the age of 13. No personal information is knowingly collected from any person under the age of 13. If you believe that we have received information from a child under age 13, please contact us immediately toll free at 1-877-344-8999, or (585) 242-1019 and direct such communication to Michael A. Sciortino, Esq., Chief General Counsel.

CONTACT INFORMATION:

If you have any questions about this Privacy Policy, the practices of this site, or your dealings with this site, please contact us by sending correspondence to:
